

Jill's jellyfish

Nick, Sue and Ben are friends. They're playing a game. Nick is choosing an animal and his friends, Sue and Ben, are asking questions.

'How many legs have you got?' asks Sue. 'Four!' says Nick.
 'What colour are you?' asks Ben. 'One of my colours is white' says Nick. Ben's little sister, Jill, wants to play too.
 'Can I try, please?' she asks. 'You're a cow!'
 'No, Jill.'
 'Well, you're a horse or a polar bear!'
 'No, Jill.'
 'Then you're a zebra!' says Ben.
 'That's right!' says Nick. 'Now you choose an animal, Ben.'

'Which food do you eat?' asks Sue.

'Meat.'

'Where do you live?' asks Nick.

'In or next to water,' says Ben.

Can I try again?

'You're a frog!'

'No, Jill.'

'Well, you're a lizard or a hippo!'

'No, Jill.'

'Then you're a crocodile,' says Sue.

'Yes, Sue! Now you!' says Ben.

‘Have you got legs?’ asks Nick.

‘Yes, and one of my colours is orange,’ says Sue.

‘I know!’ says Jill. ‘You’re a giraffe, a tiger or a chicken!’

‘No, Jill. Sorry!’

‘Then you’re a bee,’ says Nick.

‘Fantastic! OK. You can choose now, Jill,’ says Ben.

‘Hooray!’ says Jill.

'What colour are you?' asks Sue.

'I'm lots of colours.'

'Are you big or small?' asks Ben.

'I'm big OR small.'

'Are you beautiful or ugly?' asks Ben.

'I'm beautiful.'

'Whose favourite animal are you?' asks Sue.

'Mine! I love them!' says Jill. 'It's MY favourite animal!'

'Oh dear, we don't know the answer!' say Ben, Nick and Sue.

'What animal are you?'

'I'm a Jelly, Jilly, Jellyfish,' sings Jill.

'Well done, Jelly, Jilly, Jellyfish!' say Ben, Nick and Sue.
